

# ALTURA

noun, *Italian* / achieving a great depth or height

Masks are required anytime you are  
away from your table.

Thank you for your understanding

*A twenty percent service charge  
is applied to the total bill.  
Forty percent is distributed to tonight's  
service staff, fifty percent is distributed  
by Altura Restaurant amongst the  
entire restaurant staff, and  
10% is retained by Altura.*

*Each day we create a menu inspired by seasonal ingredients gathered from farmers, foragers, our garden and the sea. Plates will be described when served, and a menu will be provided at the end of the meal. Your meal will begin with a series of small bites, known in Italy as stuzzichini, and then move into a series of plated dishes.*
